### **Risk of COVID-19 transmission at Broadway Bound**

My signature below indicates that I understand the COVID-19 virus is a highly contagious disease and has a long incubation period and determining who is infected by COVID-19 is challenging and complicated.; I understand that there is an increased risk of contracting the virus by entering public places such as dance studios; I also understand that I can help reduce my risk by following standard safety precautions as recommended by the CDC; I understand that my child can wear a protective mask over their mouth to prevent infection during classes and; Lastly, I understand that even if I follow all recommended safety precautions there is an inherent risk of contracting COVID-19 from any public space I chose to enter. Finally, I recognize that Broadway Bound has taken reasonable and prudent measures to comply with CDC guidelines and therefore hold Broadway Bound Performing Arts Center, Inc. harmless of responsibility and indemnify them of any future legal action related to Covid-19.
