Thank you for being Broadway Bound!

## The very best recital ever!

***Thanks to everyone who performed, helped out, and attended!***

And a very special three cheers to all of our students. Thank you for providing us with a truly wonderful recital experience particularly in this horrendous year. And to our parents...thank you for sharing your children and their talent with us.

We can't begin to tell you how proud we are of our Broadway Bound Family. Each year we seem to get better and better! The growth and development of our students always seems to surpass the year before. And our teachers are the best!

Our "little ones" bring smiles to our faces and tears to our eyes. Our "Tweeners" continue to grow in skill and talent and our older students never cease to amaze us.

And to all our parents, brothers, sisters, family and friend's thanks for coming to the show. We hope you enjoyed watching as much as we enjoyed producing a really terrific recital experience, particularly in this very difficult year. And a big thank you for all your praise and recognition of our labor. Most people do not understand the huge amount of time and effort that goes into the production. And, the many hours of zoom education, social distancing, the masks and the sanitizer all had an impact upon our total educational experience. Thanks for sticking with us. It has been a great deal of work. And of course we could not do it without our wonderful volunteers! We sincerely thank all of you. We are blessed to have so many terrific students and families who are willing to help us make each recital an event to be proud of.

# A sad farewell to Miss Sallie and Miss Stephanie...

Please join us in wishing a fond farewell to Miss Sallie and Miss Stephanie as they pursue new endeavors away from Broadway Bound. Miss Sallie is leaving Broadway Bound to further enhance her career in performance and education. We thank Sallie for all of her efforts on behalf of our students and the entire Broadway Bound Family. She will be missed.

Miss Stephanie has decided to take a respite from her tumbling teaching and concentrate upon her primary employment, her recent marriage and her new home. We want to thank Steph for her time and talent. Her smiling face and cheerful demeanor will be missed at the studio.

New staff assignments will be announced in the near future and will be reflected in the fall schedule.

## Open House Wednesday, July 14<sup>th</sup> 5:00 - 7:00

So many folks called to say they could not make our last Open House, so we have scheduled another one for Wednesday, July 14<sup>th</sup> from 5:00pm – 7:00pm. In addition, many people have asked us which class would be most appropriate for their child in the fall. If you have any questions as to what classes you should take, please feel free to ask. Remember that each student generally moves up a level. For example, if a child is in Ballet I this year you should generally register for Ballet II in the fall. Please register early to guarantee enrollment in the class you want. There are many exciting changes taking place so do not delay. If you can't make it in, please give us a call at 429-8844 and we will take your registration over the phone.

## There's still time to sign up for Summer!

The summer session begins in August. Why not schedule a bit of a break in the summer and enroll in one of our programs? The kids are sure to have a ball! Trying all forms of dance, arts and crafts, games...its great! They always love it! And this year the [summer schedule is](#) filled with lots of opportunities for all students.
